

3517.104 Adjustments to limitations

(A) In January of each odd-numbered year, the secretary of state, in accordance with this division and division (B) of this section, shall adjust each amount specified in section 3517.102 and in division (B)(4)(e) of section 3517.10 of the Revised Code. The adjustment shall be based on the yearly average of the previous two years of the Consumer Price Index for All Urban Consumers or its successive equivalent, as determined by the United States department of labor, bureau of labor statistics, or its successor in responsibility, for all items, Series A. Using the 1996 yearly average as the base year, the secretary of state shall compare the most current average consumer price index with that determined in the preceding odd-numbered year, and shall determine the percentage increase or decrease. The percentage increase or decrease shall be multiplied by the actual dollar figure for each office or entity specified in section 3517.102 of the Revised Code and by each actual dollar figure specified in division (B)(4)(e) of section 3517.10 of the Revised Code as determined in the previous odd-numbered year, and the product shall be added to or subtracted from its corresponding actual dollar figure, as necessary, for that previous odd-numbered year.

The resulting amount shall be rounded to the nearest twenty-five dollars if the calculations are made regarding the amounts specified in division (B)(4)(e) of section 3517.10 of the Revised Code.

If the calculations are made regarding the amounts specified in section 3517.102 of the Revised Code, the resulting amount shall not be rounded. If that resulting amount is less than one hundred dollars, the secretary of state shall retain a record of the resulting amount and the manner in which it was calculated, but shall not make an adjustment unless the resulting amount, when added to the resulting amount calculated in each prior odd-numbered year since the last adjustment was made, equals or exceeds one hundred dollars.

(B)(1) The secretary of state shall calculate the adjustment under division (A) of this section and shall report the calculations and necessary materials to the auditor of state, on or before the thirty-first day of January of each odd-numbered year. The secretary of state shall base the adjustment on the most current consumer price index that is described in division (A) of this section and that is in effect as of the first day of January of each odd-numbered year.

(2) The calculations made by the secretary of state under divisions (A) and (B)(1) of this section shall be certified by the auditor of state on or before the fifteenth day of February of each odd-numbered year.

(3) On or before the twenty-fifth day of February of each odd-numbered year, the secretary of state shall prepare a report setting forth the maximum contribution limitations under section 3517.102 of the Revised Code, the maximum amounts, if any, of contributions permitted to be kept under that section, and the amounts required under division (B)(4)(e) of section 3517.10 of the Revised Code for reporting contributions and in-kind contributions at social or fund-raising activities and contributions from amounts deducted from an employee's wages and salary, as calculated and certified pursuant to divisions (A) and (B)(1) and (2) of this section. The report and all documents relating to the calculations contained in the report are public records. The report shall contain an indication of the period in which the limitations, the maximum contribution amounts, and the reporting amounts apply, a summary of how the limitations, the maximum contribution amounts, and the reporting amounts were calculated, and a statement that the report and all related documents are available for inspection and copying at the office of the secretary of state.

(4) On or before the twenty-fifth day of February of each odd-numbered year, the secretary of state shall transmit the report to the general assembly and shall send the report by mail to the board of elections of each county.

(5) The secretary of state shall send the report by mail to each person who files a declaration of candidacy or

nominating petition with the secretary of state for the office of governor, lieutenant governor, secretary of state, auditor of state, treasurer of state, attorney general, member of the state board of education, chief justice of the supreme court, or justice of the supreme court. The report shall be mailed on or before the tenth day after the filing.

(6) A board of elections shall send the report by mail to each person who files a declaration of candidacy or nominating petition with the board for the office of state representative or state senator. The report shall be mailed on or before the tenth day after the filing.
